# Mizella Cosmetic

*Harmony with Nature & Science*

## (Science Professional Hair care System)

### Mizella Cosmetic is confident of the best quality and reliance.

Mizella Cosmetic will deliver the best quality and reliance through a constant effort and development for your beauty and health, by satisfying your requirements with a creative idea and innovative technology.

### Mizella Cosmetic focuses on

only the top product through a firm quality control. Based on know-how accumulated by the constant R&D, Mizella Cosmetic has strived to make the highest quality product, and is approaching each customer with the business philosophy "We produce only good quality product through the strict quality control procedures."

### Mizella Cosmetic produces only the product which passes the strict test.

Mizella Cosmetic has produced only the optimum product which passes the strict test and thorough inspection for the product's efficiency, stability and functionality as well as a complicated selection of ingredients, and has strived to provide the safe and high quality's product to all customers.

We are sure about best quality and confidence.

## CEO MESSAGE

We are sure about best quality and confidence. It is about time that new management strategy is required for transition to the rapidly-changing market environment and the information society in the new millennium and strategic communication for image differentiation. Equipped with facilities which comply with CGMP and on the basis of confidence in customers and R&D conducted for several years, Mizella Cosmetic was set up as a manufacturer of skin & hair care product in February in 2000. We produce a variety of products : hair cleaning/moisturizing, perm products, treatment, essence, scalp care products, skin care products, functional cosmetics (whitening, anti-wrinkles, sun care, multi-functional products), body care products , children care products etc. Forquasi-drug, we are engaged in R&D and production of hair dye, hair loss prevention products, hand sanitizer, hair removal cream and bleach. Mizella Cosmetic is an ODM and OEM specialist which seeks harmony between future-oriented thinking and realistic thinking for communication. To be well positioned as a global cosmetics manufacturer at home as well as worldwide, we make incessant R&D efforts and we are committed to providing customers with best quality products.

It is about time that new management strategy is required for transition to the rapidly-changing market environment and the information society in the new millennium and strategic communication for image differentiation.

Mizella Cosmetic Company which was established in Feb. 2000, specializes in Research, Development & Manufacturing of cosmetics. Our Company has received the trust from our customers. We will reward the members of the highest quality.

## | Hair Care &amp; Cleansing Line

**NEW Merry M Moisture Balance Shampoo**

It mildly cleans residues on the hair and scalp by creating rich foams, keeping them healthy and clean and amino silicon ingredient prevents hair from being flimsy and keeps them soft and shiny. Rice protein moisturizes hair, thus helping to keep them fresh and moist.

*750ml 25.3fl.oz / 1000ml 33.8fl.oz*

**NEW Merry M Moisture Balance Conditioner**

As it contains phenylsilicon oil which has an excellent emulsion stability, it can be used easily and smoothly and provides your hair with excellent gloss and sheen. Soy protein polymer and DL-Panthenol, very effective in retaining moisture, keep your hair with a healthy sheen. Also it provides intensive nutrition for the hair stiffened and damaged by coloring and perm.

*750ml 25.3fl.oz / 1000ml 33.8fl.oz*

## | Exclusive Hair Perm Line

**NEW Merry M Concept Perm**

With addition of hair-friendly vegetable protein and moisturizing ingredient in large quantities, it prevents your hair from being damaged while being permed and creates the moist and shiny waves even after being permed. As it is in a liquid type which does not flow down, it is quickly absorbed into hair, forming resilient curls in a short time.

*215ml 7.2fl.oz / 500ml 16.9fl.oz*

**NEW Merry M Double S Sara Straight**

Nutritional contents and moisture layer in hair are liable to loss while being permed by heat treatment. Mushroom polysaccharides and silk fibroin contained play a role of shield to protect the nutritional contents and moisture layer, thus keeping them long lasting. Mushroom polysaccharides and silk fibroin protect hair split and get dried against intense heat. Almond extract not only provides nutrition for the damaged hair but also keeps them anti-static and increases sheen and flexibility in your hair.

*500ml 16.9fl.oz*

MERRY M is professional hair care product made of herbal ingredients.

As natural herbal extract and red ginseng extract are rich in Saponins, flavonoids, butyric acid etc., they provide basic nutrients for the scalp and hair.

## | Basic Hair Perm Line

**Basic Hair Perm Line**

Hydrolyzed Chitosan and amino acid contained creates elastic curls and soft and shiny hair. Vegetable extract and collagen protect your hair against damage caused by heat treatment, helping to create beautiful waves.

*150ml 5fl.oz / 500ml 16.9fl.oz*

**NEW Merry M Basis Curling Perm**

It is an advanced perm agent, made of Cysteine as its main ingredient, Amino acid and Cationic content prevent hair damage, keeping uniform and resilient waves long lasting. Vegetable extract and collagen protect your hair against damage caused by heat treatment, helping to create beautiful waves.

*150ml 5fl.oz / 500ml 16.9fl.oz*

## | Hair Heating Perm Line

**NEW Merry M Water Bling Perm**

Vegetable protein and amino acid contained in the large quantities keep uniform and resilient waves long lasting. Vegetable extract and amino silicon create moist and shiny curls in your hair, liable to get dry by heat.

*150ml 5fl.oz / 500ml 16.9fl.oz*

## | Hair Pre Chemical Line

**NEW Merry M PPT Leave in Treatment**

It is a dedicated clinical pre-treatment product. It makes up for lost interlayer substances in damaged hair and has coated the hair surface, thus protecting against and withstanding damages caused by various treatments and treatment by high temperature heat. Various effective ingredients (collagen, silk, polymer wheat protein, keratin, almond extracts) penetrate into the hair, thus keeping damaged hair not only healthy but also looking more shiny voluminous.

*300ml 10.1fl.oz / 1000ml 33.8fl.oz*

Mizella cosmetic

OUR BRAND

Brand renewal

MERRY M

MERRY M is professional hair care product made of herbal ingredients,

As natural herbal extract and red ginseng extract are rich in Saponins, flavonoids, butyric acid etc., they provide basic nutrients for the scalp and hair.

**NEW Moisture Balancing Water**

It is intended for water-type treatment by providing nutrients and moisture for the hair at the same time. It keeps pH balance of hair after being permed or colored and keeps them shiny and smooth.

*205ml 6.9fl.oz*

**NEW Merry M LPP Deep Repair**

Intended for professional treatment, a large quantity of silk protein and vegetable protein contained protect damaged hair, and Argan oil and Grape seed oil keep the hair moist, thus not only preventing additional hair damages but also keeping them healthy and shiny.

*500g 17.6oz*

## Hair Treatment Line

**NEW Merry M Intensive Care Hair Masque**

With cuticle layers well coated with Ceramides and lecithin contained, the mask prevents hair damages and hair-friendly Polyquaternium effective in treating damaged hair recovers moisture to them, keeping them healthy. As the mask uses natural vegetable emulsifier, it can be smoothly and lightly used and with a large quantities of silk, collagen and keratin contents, it is a clinical treatment which cares hair dryness and damages at the same time.

*170ml 5.7fl.oz*

## Hair Styling Line

**NEW Merry M Ultra Hard Styling Wax**

With matte texture and strong retaining power, it is suitable to keep your desired style long-lasting and create cut styles.

*100g 3.5fl.oz*

**NEW Merry M Curl Up Curling Balm**

As it uses non-sticky and light polymer, it keeps natural and voluminous waves in the hair. The product is intended for wave styling, effective in creating moist curls with low viscosity volatile silicon and mushroom polysaccharides, which are excellent in moisturizing the hair.

*120ml 4fl.oz*

**NEW Merry M Crystal Therapy Oil**

It protects your hair healthy from damage factors and excellent at retaining moisture and coating hair, it gives a silky touch to hair damaged and thus, rendered rough and powerless. In addition, it is an oil treatment which gives a luxurious gloss with a sense of light and fresh finish.

*105ml 3.5fl.oz*

# Brand original **MERRY M**

Merry M is intended to symbolically convey the meaning, 'Brand which always gives everybody happiness and delight', by adding 'M', the first word of 'MIZELLA Cosmetics' to 'Merry' in English.
